

Come visit our new website: [newiashrae.org](http://newiashrae.org)

Hello All,

In preparation for another exiting year for the Northeast Wisconsin ASHRAE chapter, I wanted to take a moment to introduce myself. My name is Alex Krizek, I am a Technical Sales Engineer with Trane Company in our Appleton, WI Sales Office. Outside of work I enjoy spending time with my wife, Zoë, hunting, fishing, and tinkering with small engines in my garage. I look forward to working with all of you this year and serving as the Northeast Wisconsin ASHRAE Chapter President.

We will begin this year with a virtual meeting on ASHRAE Government Affairs Initiative and Goals for our NE WI ASHRAE Chapter. Elizabeth Tomlinson and Mike Wolf will provide an overview of ASHRAE Society Goals and objectives for the coming year. Beth is ASHRAE's Region VI Government Affairs Vice Chair responsible for assisting local chapters in engaging and advocating ASHRAE's position on government priorities. Mike Wolf is our NE WI Government Affairs Committee Chair. Beth and Mike will provide an overview of Society Government Affairs priorities and goals. Mike will share more detail on specific goals and priorities for our chapter. Please tune in virtually on September 13th at noon.

Please join us virtually! Register at [newiashrae.org](http://newiashrae.org) if you would like to take part. The virtual invite will only be sent to those that register. Please register online. Any issues, please feel free to reach out to me, [alex.krizek@trane.com](mailto:alex.krizek@trane.com), 920-636-4203.

I look forward to seeing everyone!

Sincerely,

Alex Krizek
