Come visit our new website: newiashrae.org

Hello All,

In preparation for another exciting year for the Northeast Wisconsin ASHRAE chapter, I wanted to take a moment to introduce myself. My name is Drew Heeter, I am Vice President of HVAC at Access, Inc. in Neenah. Outside of work I enjoy spending time with my two daughters, camping, soccer, and snowmobiling. I look forward to working with all of you this year and serving as the Northeast Wisconsin ASHRAE chapter president. Following a challenging year of disruptions caused by COVID, I look forward to re-engaging in ASHRAE events and activities together both in-person and virtually.

We will begin this year with a virtual speaker, Hoy Bohanon, PE, of Hoy Bohanon Engineering, PLLC to discuss ASHRAE 2019 Standard 62.1 updates, Ventilation for Acceptable Indoor Air Quality. Please tune in September 28th at noon to this relevant and evolving topic.

Please join us virtually! Register at newiashrae.org if you would like to take part. The virtual invite will only be sent to those that register. We are trying to utilize the website for invites to remove confusion with the Zoom invite. Please register online. Any issues, please feel free to reach out to me, dheeter@access-inc.com, 920-967-8408.

I look forward to seeing everyone!

Sincerely,

Drew Heeter
