

# Northeast Wisconsin Chapter

November 2025

Come visit our website: [newiashrae.org](http://newiashrae.org)

Hello All,

The President's Dinner this year will be held at Makinaws in Green Bay (Off of 43 and East Mason St.) on Tuesday November 25th. Appetizers at 6 and dinner at 7. I apologize for it falling during hunting week for a lot of people, it was a necessary evil and we understand that it will limit the number of members able to join us.

Please feel free to bring one guest. When you RSVP please also provide your guests name and meal choice. We will be printing place cards with names and food choices.

The cost for this event is \$10 per attendee (cash or check to ASHRAE - NE Wisconsin Chapter). We will be collecting payment at the event. Drinks will be cash bar. They have requested a final meal count by the 21st. Please RSVP by the 20th. Note that we will be charged for the number of meals we request at that time.

The chapter will be covering the event cost for all past presidents in attendance as a thank you for past efforts.

Later this month we will send out the December newsletter with information on the Ethics presentation and the RSVP information.

I apologize for having to cancel the October event. We found a replacement for the original event, however they were forced to back out and it wasn't feasible to find another presenter in the short time frame available.

Sincerely,

Dustin Sewell
